President's Volunteer Service Award

South Mecklenburg High School

RULES:

1. Be certain your activity qualifies. Volunteering is an altruistic activity, delivered without payment or personal benefit, intended to improve the welfare of others, such as planning or participating in service activities with schools, hospitals, libraries, clubs, and community organizations.
2. The PVSA rewards volunteer service only, not personal development or charitable contributions. These criteria are not the same as scouts, honor societies, and other groups. Examples of activities that **do not** qualify as PVSA service ours include:
 - a. Donations to Supply Drives
 - b. Participating in races, walkathons, overnight 'famines', etc., except time spent planning such events.
 - c. Non-Volunteer activities, such as Youth Group or Club meetings, except time spent during those meetings planning or participating in a service activity.
 - d. Non-Volunteer activities such as training, administration, approval meetings, research, etc., required by a Scout group or other organization to earn an achievement award (e.g. Eagle). Include only time spent on the actual service activity.
 - e. Court-ordered community service.
3. Recipients must be United States citizens or lawfully admitted permanent residents of the United States.
4. List each day on a separate line with activity performed and time spent. For example, if you spent 20 days volunteering as a tutor, include 20 lines.
5. Include specific descriptions – for example "Sorted shelter donations" instead of "Community Service" or "Meeting to plan consignment sale" instead of "Team Leadership Club meeting".
6. Maximum allowed hours for camp counselor, mission trip, travel time, etc., is 9 hours per day. Time spent sleeping, eating, socializing, etc., does not qualify.
7. Log must be signed by the Youth Director or other supervising adult of the sponsoring institution. Please no parent signatures!
8. For repetitive activities, such as camp counselor or weekly hospital volunteer responsibilities, you may substitute an official report, email, or certificate from the organization that clearly indicates the total number of hours served, signed by the adult supervisor. You may only use this option if the hours are accurate, please do not average your hours across period of time.
