Yvette posted for Social Media about why we should join PTSA. Volunteers still needed for Supply drop off/pick up. It has now opened up to Students as well per Staci McBride. Sent a email to Mr Spalding about borrowing a school Zoom account

Tanya Hicks- Secretary - Approve Standing Rules and Minutes - Standing Rules - Approved Jill made motion, Tina , Tanya, Shelley Approved- Memberhub has added Fundraising and Online Auctions, Thank A Thons ETC.
Missy Turk took on Reflections and I added her name , phone number and email to that Committee Organization Sheet.

Lara McMillan - Membership -how to manage online and campaign finances and what tools are best to use. Best way to manage PTSA membership. Was thinking about just having parents fill out a form and put it in PTSA box. They have used Memberhub in the past and it is already set up so it will be easy. Shelley has the paypal account and can send Yvette the link. Memberhub charges 3.5% and a flat .50 cents per transaction. The transaction fee can be passed onto the parents.

Shelley Turtle - Treasurer - Planning budget based on past three years. Budget \$35 to \$40 this year. A matching check came in trying to figure out how we process and track. Harris Teeter

check for \$800 we need to push it on Social Media. Venmo might be better for donations and less fees. Yvette please share some files.

Tina Hicks- Fundraising - Expectations for fundraising might be lower expectations this year. September would be a great time to start Memberships and Fundraising.

Yvette Bolden - Vice President Communications - Harris Teeter Update with South Mecks Vic Number. This way parents can assign their Vic card to South Meck.
