Jill Davis -

- Staci McBride provided a written update on the Wells Fargo Golf Tournament which is still scheduled for May 3 - May 9th. This was confirmed with Tony Schuster Director of Operations -
- Staci McBride provided a written update on the Food Drive - 2400 weeks of food since March 16th. Women's Club at Park Crossing will provide 60 meals for Thanksgiving. Churches are donating. The Band Room is full of food and looks like Costco!

Brian Spaulding -

- Guidance from Teachers as to how PTSA can help and what the needs are: Ideas include reimbursement for conference, or membership. Tech transitioning back to the classroom. Wireless Mics - Cameras for classrooms. Using some grant money and maybe asking PTSA for the balance.
- Coffee with Counselors still planning a date within the next month. Touching base with Freshman 893 kids.
- Staff will be back November 30th and many will be apprehensive about returning back to school. Need them to feel comfortable and bring back good memories. As such, there are Green arrows to direct people flow, Hand Sanitizer and only x amount of people in the restrooms. Trying to make the school as safe as possible. Will probably have to make adjustments as everyone returns.

Shelley Tuttle - Budget: IYC Campaign has raised almost \$25,000 Almost 40 people contributed \$19.59 per our 1959 campaign. We spent \$1200 for Teachers Dunkin' Gift Cards. Discussed doing a Go Fund Me - Or Give in Honor of (Teacher) Tribute - this is where Students or Parents make a donation and say Thank You. We love our Teachers and this \$\$ goes to PTSA in honor of this teacher.

Marianne Romanat - McAlister's Lunch went well, Duncan Gift Cards, Mr Spaulding helped get the emails out. Staff truly appreciated the Coffee Gift Cards. Maybe having something for their first day of Campus Nov 30th? Plan is to have an ice cream truck reserved. 255 Teachers at \$2.00. Shelley Tuttle will hand deliver the check or mail the check to Marianne and she can deliver.

Yvette Bolden - Co Positions For PTSA Roles - Nominating Committee is currently looking for two more people that can connect people. Communications has Starbucks with Starnes. Nov 17th 2020 at 7pm. Newsletter came out with University information. Would be great to sell South Meck Mask Sabres Fundraiser. District supplied some South Meck Masks at Graduation last year and we could use that as a template.

Missy Turk - Presidential Award, Reflections and Awards Banquet - The only thing I have to report is that the Reflections Art Awards are happening and will be virtual this year. It has been communicated to all the pertinent staff at SM and entries (all digital) are due Oct 30.
